Our Unique

- **EARN-AS-YOU-REFER:** F1 is the re-imagining of reward for smart work here means that 5 slots are available to earn 100% income from with zero payment going to your upline.
- **GENERATION BENEFITS:** the revolutionary F2 & F3 allow for up to 3 generation uplines to earn from a downline in one matrix and their various downlines' matrices.
- **THE MORE THE MERRIER:** with 6 slots in 2 rows – 2 slots at the 1st row and 4 slots at the 2nd row – 5 slots to earn from in F1. We have provided 14 slots in 3 rows – 2 slots at the 1st row, 4 slots at the 2nd row and 8 slots at the 3rd row – 7 slots to earn from in F2
- **ID 1 SPILLOVERS:** our networkers mean a lot to us, so do our investors (members) mean so much to us as well; hence, we ensured everyone who register directly under ID 1 benefit spillovers in both F2 & F3 matrices endlessly at all levels.

Biggest matrix ever, 30 slots in 4 rows
– 2 slots in the 1st row 4 slots in the
2nd row, 8 slots in the 3rd row and 16
slots in the 4th row – **15 slots to earn
from in F3**

GLOBAL SPILLOVER: our give to the
weak values means that the last slots
commission in **F1, F2 & F3** matrices
will be collected as **global spillover
contribution** that the system will allo-
cate to specific downline(s) per time
and sequentially

We offer three different platforms, that you can join, we call them F1, F2 & F3.

Each platform offers 10 different ways to earn for a total of 30!

You can get started in all F1, F2 & F3 simultaneously. This means it is affordable to anyone who wants the opportunity to earn

In the F1 Matrix the commissions from slots #1, #2, #3, #4 and #5 will go to the referrer %100.

Commission from slot #6 will go to the global spillover and initiate a re-entry

F1

In F1, you only earn as you refer new members. You benefit only from your referrals. You can cycle the matrix as many times as possible the matrix does not expire and you receive payment 5 times for each cycle.

F1 PACKAGE

The F1 package is setup to begin teamwork for you! With our dynamic “follow-me matrix” allows you to truly work as a team!

In F1, five slots commissions in your matrix are open for you to earn 100%. If you directly refer into the six slots, 100% commissions of the 1st, 2nd, 3rd, 4th, and 5th slots will be paid directly and instantly to you.

The 6th slot goes to global spillover and reopens your matrix, so you can continue to earn and recycle unlimited times even if you do not upgrade.

You only have to pay one time, but you can earn forever! With our automatic reopen feature you will continue to earn commissions payments as you refer new members.

In order to earn in F1 you are required to own the package that is producing the commissions! If you don't own the package the commission will be passed up to your upline, or the next person in line who owns the package.

You don't have to upgrade, but as you can see there is a huge incentive for those who choose to upgrade!
